Subject: Request for Assignment Deadline Extension

Dear Ma'am,

I hope you are doing well. I am writing to request an extension for the assignment submission due to unforeseen circumstances. I was unable to complete the work on time.

I kindly request you to grant me an extension of two days to complete and submit the assignment.

Thank you for your understanding.

Yours sincerely,
Anushika Sharma

Subject: request for Summer Internship Opportunity

Dear Ma'am,

I am a first-year B.Tech student and I am interested in applying for a summer internship at your organization.

I am eager to learn and gain practical experience in the field. I would be grateful if you could consider my application.

Thank you for your time.

Yours sincerely,
Anushika Sharma

Part B

Social Media Do's and Don'ts Checklist

DO's:

1. Use strong and unique passwords
2. Keep your profile professional
3. Verify information before sharing
4. Respect others online
5. Use privacy settings

DON'Ts:

1. Don't share personal information publicly
2. Don't click on unknown links
3. Don't post offensive content
4. Don't spread fake news
5. Don't accept requests from strangers

PART C

Poor digital communication can create misunderstandings and affect relationships or opportunities. For example, if a student sends an email to a professor without a subject line, proper greeting, or clear message, the email may be ignored or misunderstood. This can lead to missed deadlines or lack of response from the professor.

Such situations can be avoided by following proper email etiquette, including using a clear subject line, polite language, and a structured format. It is also important to be respectful and concise while communicating. This ensures that the message is understood correctly and creates a positive impression.

This task helped me understand the importance of professional communication and how small mistakes in digital communication can lead to bigger problems.
